INT. BASEMENT - DAY

A MAN; JP/Aaron , prepares to swing when a baby cries in the background/phone call from work, completely throws off his swing. He grunts in frustration.

HANNAH; the girl, steps in and talks directly to camera.

HANNAH:
Has this ever happened to you?
(Pause) Or this?

Video of Aaron trying to swing but the ceiling is too low. He gets upset.

HANNAH: (CONT'D)
Or even this?

Video of JP duffing it on his fake green grass. More anger.

HANNAH: (CONT'D)
Then you may be suffering from
Indoor Golf Syndrome.

Video of JP/Aaron hanging his head, crying, breaking club, etc.

HANNAH: (CONT'D)
Swinging indoors is different than
swinging outdoors, and if you're a
sensitive smooth brain incel, it'll
be hard for you adjust when you
make it out onto the course or
range with your pals.

Video of JP looking insecure.

HANNAH: (CONT'D)
IGS is very real and definitely not
made up and affects nearly 30
percent of all men. And another 70
percent who also decided it
affected them when they heard about
it for the first time. That's **all**
men.

Video of Aaron looking sad.

HANNAH: (CONT'D)
You're not alone. A lot of men
struggle with uncontrollable bouts
of rage when they can't hit their
little club the right way.

Hannah smiles to camera.

HANNAH: (CONT'D)
But there's still hope.

INT. - 5 IRON GOLF

Flash video of 5Iron.

HANNAH:
Five Iron is a new, re-imagined,
high-tech, inclusive urban golf
experience designed for golfers and
non-golfers alike.

JP/Aaron enter looking excited, at ease.

HANNAH: (CONT'D)
It's complete with ___ bays all
equiped with hundreds of courses to
choose from. So you can play some
of the best golf in the world
without being dragged down by your
excuses at home.

JP hits an amazing shot. Sees a call from his wife/boss and
ignores it.

HANNAH: (CONT'D)
Stop suffering in silence baby boy.
Come to 5Iron and surround yourself
with other IGS survivors and find
the help you've convinved yourself

Aaron and JP hug.
